SCT apps

Find these apps on the **Apple App Store** and **Google Play Store** to make your trip on SCT even easier.

Plan your trip, track your ride, and stay informed with **Transit**, the trip planning app endorsed by Suffolk County Transit.

Go cashless with **Suffolk FastFare**, the mobile ticketing app for Suffolk County Transit.

Book rides straight from your phone to access more destinations in the South Fork using the **Suffolk Transit OnDemand** app.

Connections For Everyone

How to ride

- PLAN YOUR TRIP**
Start by finding out which buses are near the start and end of your trip by visiting sctbus.org, calling the SCT info line, or by using a trip planning tool like Transit app, Google Maps, or Apple Maps.
Once you know which buses to take, check the schedule for your trip. If you're using a trip planner, set it for when you're planning to leave or when you need to arrive. If you're using the info line, tell the staff when you want to leave or when you want to arrive.
- GET ON BOARD**
Get to your bus stop at least five minutes before the scheduled departure time. Schedule information is available on Transit app, Google Maps, and Apple Maps.
When the bus arrives, check that the route and the destination on top match the routes you planned earlier. Make sure to signal to the driver that you want them to stop.
- PAY YOUR FARE**
A regular full fare is \$2.25 one way or \$2.50 with a transfer. If your trip requires you to change buses, ask for a transfer ticket. You can pay with cash or coins or use the Suffolk FastFare app. Discounts are available for youth, students, seniors, persons with disabilities, and veterans.
- GET GOING!**
Relax and enjoy the ride. When you hear your stop coming up, pull the stop cord or press the stop tape or button to let the driver know to stop. If your trip requires you to change buses, find your next bus stop to continue your journey. When getting off the bus, exit through the rear doors if possible.

Reading a bus stop sign

- A** Route number
- B** Destination
- C** Stop ID code
- D** QR code to sctbus.org

Transfers

Transfers allow you to connect to other routes. To get a transfer, ask the driver when you get on board or pay for a regular fare with transfer in the Suffolk FastFare app.

There is a special type of connection called a "timed transfer" in the SCT network. At timed transfers, multiple routes come together, hold for a few minutes, then leave at the same time. Timed transfers are marked on the system map and on route brochures with a clock (like the one on the right).

Accessibility

All SCT buses **kneel or lower** to make it easier to get on and off the bus. If you have difficulty stepping up into the bus, **ask the driver to kneel the bus or request the use of the lift or ramp**. All buses have **priority seating** sections located behind the driver. All buses have **audio announcements** to identify major stops.

If you cannot use a traditional fixed-route bus because of a disability, SCT offers Suffolk County Accessible Transportation (SCAT) for eligible individuals. Visit sctbus.org or call 631-853-8333 to learn more.

Holidays

SCT operates **Sunday** schedules on: **New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas Day**

For specific dates, visit sctbus.org
